

## BillPay – Electronic Invoice and Payment Solution

### Automate Accounts Receivable with Cloud Convenience

Give your customers convenient electronic payment options with BillPay. BillPay automates electronic invoicing and payments with integration into your existing ERP or invoice system. The BillPay workflow streamlines processing, reduces costs and provides real time tracking data to drive better payment management.

BillPay automates electronic invoicing and payments. Created by the experts in secure payment solutions, Paymetric's BillPay gives your customers convenient electronic payment options from a self service online portal while providing your organization with an automated process that reduces manual tasks, DSO, and saves staff and resource time.

The cloud-based platform is designed to work with any ERP, order management system or invoice database. BillPay synchronizes with your existing systems to reconcile and track all payments. Since payments and transactions are immediate, you have access to real time information to speed payment management.

#### Reduce Time, Resources and Costs

BillPay reduces the time your organization spends managing, collecting on and tracking invoices. With automated electronic invoicing and payments, you will reduce staff requirements to manage the Accounts Receivable process. Payments are processed faster and it reduces the risk of human error.

#### Speed Up AR Process, Reduce Late Payments

When customers have a self-service option to view and pay invoices online, they will appreciate the simplified user experience and as a result, are more likely to pay invoices in a timely manner and on schedule – reducing late or missed payments. Your customers will also enjoy the convenience of scheduling payments and online access to detailed account history information.

#### Designed for Any Device

BillPay supports responsive design which ensures the screen will adjust to be viewed on any mobile device. The user interface is clean and easy to navigate – giving your customers a pleasant paying experience.
